3rd Annual Sand and Gravel Industry Tour

The 3rd Annual Sand and Gravel Industry Tour will take place on ***Wednesday, April 6, 2016 from 10:00am – 2:00pm starting at Delta Sand and Gravel.*** Youth registered for the tour will visit the facilities of Delta Sand and Gravel and Knife River. In addition, representatives from Wildish Sand and Gravel and Eugene Sand and Gravel will be on hand to discuss industry information. The tour will provide local youth with the opportunity to learn about the sand and gravel industry, as well as future employment opportunities. Lane Workforce Partnership and the Lane Education Service District invited students and Career Technical Education instructors to attend the tour. Approximately 60 students from 12 Lane County High Schools and local youth agencies will be participating.
