### Purpose

To communicate the federal grant requirements which pertain to the Lane Workforce Partnership (LWP) Board of Directors and its staff regarding meals and meeting (conference) refreshments charged to federal grants or contracts. This policy covers the Board, Executive Board, the LWP Council and their committees and subcommittees. The policy also covers any Board sponsored activity related to administration of the federal or state granted or contracted funds.

### Policy

It is the policy of LWP to ensure that federal and state granted or contracted funds are used appropriately. Funds should be used to further the overall purpose of the authorizing legislation for expenditures that are allowable, allocable and reasonable. Expenditures of federal or state granted or contracted funds shall be necessary for the successful completion of grant or contract objectives.

By definition, the following citation from the Uniform Grant Guidance 2 C.F.R. **200.432 Conferences** applies to all LWP meetings:

"A conference is defined as a meeting, retreat, seminar, symposium, workshop or event whose primary purpose is the dissemination of technical information beyond the non-Federal entity and is necessary and reasonable for successful performance under the Federal award. Allowable conference costs paid by the non-Federal entity as a sponsor or host of the conference may include rental of facilities, speakers' fees, costs of meals and refreshments, local transportation, and other items incidental to such conferences unless further restricted by the terms and conditions of the Federal award."

Under no circumstances shall entertainment or alcohol be paid for with federal or state granted funds. The following are the common types of conferences (meetings) hosted by LWP:

- A. Executive Board: Monthly, generally held during the lunch hour to accommodate the business member leaders on the Board.
