

ROLE OF THE BOARD

- ▶ **Convener:** Bringing together business, labor, education, and economic development to focus on workforce issues and promote strategic alignment.
- ▶ **Workforce Analyst:** Developing, disseminating, and assisting with the analysis of current labor market and economic information and trends in industry sectors.
- ▶ **Broker:** Bringing together community stakeholders to solve common problems; aligning systems and strategies; forging new relationships between business and education.
- ▶ **Community Voice:** Articulating the issues for the needs of a skilled workforce. Demonstrating and speaking to the effectiveness of training programs.
- ▶ **Capacity Builder / Investor:** Enhancing the region's ability to meet the workforce needs of local employers through the utilization of federal and state funds.

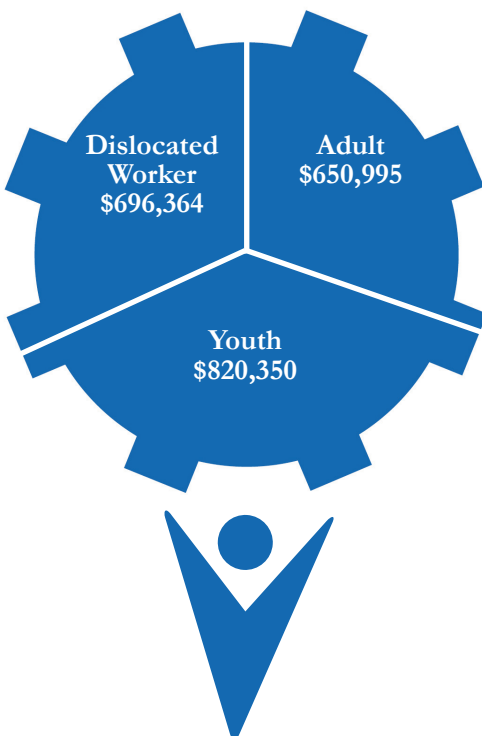

OUR GOALS

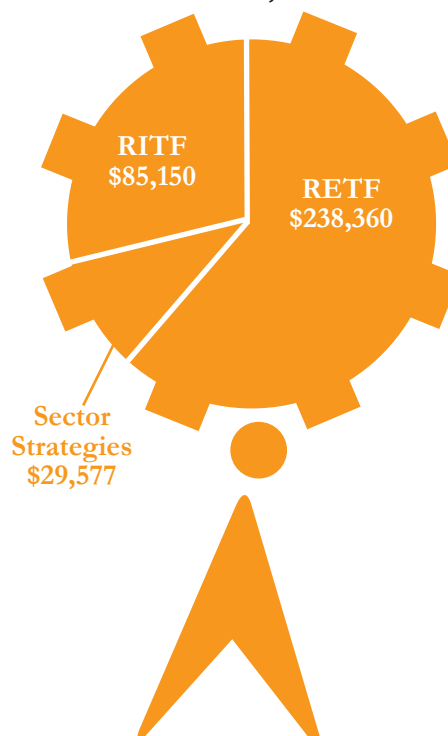

- ▶ Prepare workers for jobs in a new and changing economy.
- ▶ Prepare our youth for future employment.
- ▶ Connect individuals to education, skill-building, and employment opportunities in industries and occupations most impacted by retirements.
- ▶ Expand the use of services and increase job placements for under-represented populations, including: women, minority groups, those over 50, veterans, people with disabilities, and rural communities.
- ▶ Improve alignment among community leaders to meet key outcomes as identified by industry.
