

## Community Engagement Director

Are you looking for a position in a positive, inclusive work environment, with excellent salary and benefits, where you can help build and sustain critical workforce relationships in Lane County? BBSI is working with Lane Workforce Partnership in search of a person to develop and direct an organization-wide outreach strategy. If you are an enthusiastic, driven person who cares about helping others, this could be the perfect opportunity for you!

**Salary:** \$68,800 to \$86,000 per year

**Industry:** Nonprofit

### Successful Candidates will bring:

- Understanding of workforce and economic development, specifically in Lane County.
- Excellent project management skills, including program planning, development, evaluation and fiscal administration.
- Proficiency with Microsoft Office and Social Media Communications.
- Familiarity of contract administration and governmental service planning.
- Proficiency in organizing meetings and events.
- Knowledge of Next Generation Sector Partnerships ([www.nextgensectorpartnerships.com](http://www.nextgensectorpartnerships.com))
- Bachelor's degree preferred and a minimum of three years' experience in community and human services planning and development, or a combination of experience and training.
- Proficiency in Spanish preferred.

### Your New Position:

If you are ready to make a positive impact on our community, then this is a great opportunity for you! Lane Workforce Partnership is looking for a critical thinker who can take initiative, work independently and follow a project through to the end. In this role you will get a chance to develop, establish and sustain workforce partnerships that will support economic and workforce development. You will be utilizing marketing and promotional campaigns to increase awareness, promote collaboration and achieve greater advocacy for community initiatives. It is an action-oriented position that requires independence and decision making while collaborating and communicating with a team to develop and maintain comprehensive outreach strategies and management of evolving programs and projects. High attention to detail, problem solving skills and a passion for learning are attributes that will lead to success in this position.

### Your New Organization:

Lane Workforce Partnership's mission is to connect job seekers and employers by working with a network of local partners. Through collaboration, innovation and strategic investments, they empower job seekers to meet the current and future workforce needs of employers in the Lane County area. They value and invest in their employees by offering excellent benefits, including 4 weeks PTO, 15 holidays, 100% paid medical, dental and vision for employees and dependents, and 401(K) Safe Harbor Match. You would be joining an innovative and collaborative team that values individuality and inclusion. They are looking for a person ready to learn and grow to meet the mission and vision of our organization.

### How to Apply:

Please submit your resume to [findwork@bbsi.com](mailto:findwork@bbsi.com) and specify this position in your cover letter.
