I. CALL TO ORDER

Stan Pickett called the meeting to order.

II. PUBLIC COMMENT – In accordance with Lane Workforce Partnership’s Public Comment Policy: Speakers will be taken in the order in which they sign up and will be limited to three minutes per public comment.

There was no public comment.

III. CONSENT CALENDAR

Shondra Holliday made a motion to approve the January 21, 2021 Executive Board meeting minutes. Mike Clark seconded and the motion was unanimously approved.

IV. LANE WORKFORCE PARTNERSHIP BY-LAWS

Lane Workforce Partnership’s By-Laws were originally approved by the Lane Workforce Partnership Board of Directors at the June 25, 2015 board meeting. On February 26, 2020, Lane Workforce Partnership received the final report for the Workforce Innovation and Opportunity Act annual monitoring for Program Year 2018. The report noted that some language in the Lane
Workforce Partnership By-Laws needed to be updated to align with the State of Oregon Workforce Programs Local Board Membership Criteria.

All the changes are necessary and required with the exception of the last sentence under section 4.4 Vote: “However, all Board decisions must be made by the affirmative vote of a majority of the then appointed and serving members of the Board, not simply a majority of the Board members whose presence constitutes a quorum. This sentence contradicts that a quorum shall be defined as: (a) A simple majority (51%) of members, excluding vacancies AND (b) Of those members in attendance, no fewer than 25% are business representatives. It was agreed to have the last sentence in Section 4.4 Vote removed from the LWP By-Laws.

Mike Clark made a motion to approve recommending to the Lane Workforce Partnership Board of Directors the revised Lane Workforce Partnership By-Laws with the last sentence in Section 4.4 Vote being removed. Shondra Holliday seconded and the motion was unanimously approved.

V. PROGRAM YEAR 2021-2022 BUDGET

Tiffany Cink provided a summary on the Program Year 2021-2022 Budget. Lane Workforce Partnership annually prepares the original budget for final adoption by the LWP Executive Board in May with a Budget Modification #1 in September or October to finalize revenue allocations and carry-forward.

Revenue decreased from the 2020-2021 Modification #2 total of $6,044,988 by ($329,277) to $5,715,761.

The federal Department of Labor Workforce Innovation and Opportunity Act (WIOA) Program Year 2021/2022 formula allocations for the states were published on April 27th with increases for Oregon in all categories. The overall increase is approximately 2%. The State of Oregon Higher Education Coordinating Commission Office of Workforce Investments (OWI) hasn’t published their allocations for the local areas. The WIOA funds in this budget are based on estimated allocations and estimated carry-over from 2020/2021. Both WIOA carry-over and allocations will be finalized with budget modification #1.

Total expenses increased from $5,104,659 by $167,174 to $5,271,832.

- Reserve for Future Expenditures decreased from $940,330 by ($369,801) to $570,529.
- Personnel Services represent 18% of annual expenses.
- Materials and Services are $234,563, 4% of annual expenses.
- Community Investments represent 77% of total expenses.

Joe Berney made a motion to approve adopting the Original General Operating Budget for 2021 – 2022 as presented. Shondra Holliday seconded and the motion was approved unanimously.
VI. WIOA ADULT/DISLOCATED WORKER RFP

A Request for Proposals (RFP) for the WIOA Adult and Dislocated Worker Service Provider was issued on March 1, 2021. Three proposals were received that met the requirements. The proposals were scored by a team of five evaluators (four LWP board members and one outside subject matter expert). The evaluation committee recommended that Lane County Health & Human Services be awarded the WIOA Adult/Dislocated Worker Service Provider contract. They were also the highest scored proposal.

Mike Clark made a motion to approve recommending to the Lane Workforce Partnership Board of Directors the award of the Workforce Innovation and Opportunity Act (WIOA) Adult/Dislocated Worker Service Provider contract to Lane County Health and Human Services in the amount of $1,296,271 for the period of July 1, 2021 – June 30, 2022 with the option to extend the contract for four additional one-year periods based on performance and funding availability. Shondra Holliday seconded and the motion was approved unanimously.

VII. ONE-STOP OPERATOR RFP

In accordance with the Workforce Innovation and Opportunity Act, local workforce areas must competitively select, through open procurement, a One-Stop Operator. One of the primary roles of the One-Stop Operator is to provide guidance to the local workforce service delivery system, evaluate the efficiency of the operations, and provide leadership on continuous process involvement. In Program Year 2017, Oregon Manufacturing Extension Partnership (OMEP) was selected as the Operator through a competitive procurement. The contract awarded under that procurement expires on June 30, 2021. LWP issued a Request for Proposals (RFP) for the One-Stop Operator on March 1, 2021 and proposals were due by April 19, 2021. OMEP was the only respondent under this procurement and the evaluation committee determined their proposal met all requirements. OMEP is the incumbent One-Stop Operator and has performed above expectations since their initial contract award in 2017.

Celeste Marshall made a motion to approve recommending to the Lane Workforce Partnership Board of Directors the award of the One-Stop Operator contract to Oregon Manufacturing Extension Partnership (OMEP) in the amount of $30,000 for the period of July 1, 2021 – June 30, 2022 with the option to extend the contract for four additional one-year periods based on performance and funding availability. Greg Ervin seconded and the motion was approved unanimously.

VIII. BOARD OFFICER RECOMMENDATION

There was a discussion regarding board officer appointments for the upcoming 2021-2022 Program Year. Current officers are: Stan Pickett, Chair; Jennifer Adams, Chair-Elect; Celeste Marshall, Treasurer; Shondra Holliday, Secretary; Past-Chair currently not filled. Stan Pickett will automatically move into the Past Chair position and Jennifer Adams will automatically move into the Chair position. Celeste Marshall expressed interest in the Chair-Elect position and Shondra Holliday expressed interest in the Treasurer position. The Lane Workforce Partnership Board of Directors were notified on April 6 and April 26 of the open positions. Solomon Harris was the only board member who expressed interest in being considered for the Secretary Board Officer position.

Shondra Holliday made a motion to approve recommending that the Lane Workforce Partnership Board of Directors elect Jennifer Adams, Chair; Celeste Marshall, Chair-Elect; Shondra Holliday,
Treasurer; Solomon Harris, Secretary; and Stan Pickett, Past-Chair, to serve as board officers for a two-year term beginning July 1, 2021. Celeste Marshall seconded and the motion was approved unanimously.

IX. EXECUTIVE DIRECTOR SALARY RECOMMENDATION

Per ORS 192.610, the Executive Board conducted an executive session to discuss matters of personnel.

The Lane Workforce Partnership Board Officers met on March 18, 2021 to review the Executive Director’s self-evaluation, the survey results, and to create a recommendation regarding the Executive Director’s salary. The overall summary of Kristina Payne’s performance as Executive Director was favorable. After discussion, the board officers agreed to recommend to the Executive Board to increase the annual salary for Kristina Payne.

Shondra Holliday made a motion to increase Kristina Payne’s annual salary by 5% effective July 1, 2021. Celeste Marshall seconded and the motion was approved unanimously.

Oregon’s Higher Education Coordinating Commission - Office of Workforce Investments (HECC-OWI) conducted its annual monitoring review of Lane Workforce Partnership (LWP) on October 4, 5, 6, and 7, 2021. Because of COVID-19, monitoring is being conducted on-line and in virtual formats.

Reviewers conducted tests of compliance for elements included in the Uniform Administrative Requirements, the Workforce Innovation and Opportunity Act (WIOA) and final regulations, LWP policies, and the nondiscrimination, disability, and equal opportunity requirements in WIOA.

The entrance conversation took place on October 4, 2021, and attendees included Tiffany Cink, Cindy Perry, Kristina Payne, Lyle Lang, Stephanie Lovell, Anne Nestell, Ashley Espinoza, Rachel Soto, April Kinney, and Theresa Fitzgerald.

This report cites the results of our tests of compliance and review of policies and processes, and may include observations or findings, defined as:

- **Observations**: In the course of the review, the monitoring team discovered areas that raised some measure of concern. Such concerns may be easily alleviated, and the monitoring team made every effort to discuss solutions with the appropriate staff to minimize concern.

- **Findings**: Findings are items or issues that are of significant concern or that indicate the violation of a guiding principle, regulation or rule. The monitoring team requested additional information to determine whether the issue discovered was an abnormality of the review process or a valid violation.

**This final report cites no observations and no findings.**

Reviewers relied on documentation and materials provided by LWP catalogued in the monitoring review guide.

LWP included the most recent independent auditor’s report issued for the years ended June 30, 2020 and 2019, which did not note any internal control deficiencies, questioned costs, or other issues.

Compliance tests were conducted for cash management, policies and procedures, expenditure rates, quarterly financial reporting, cost allocation plan, contracts and procurement, separation of duties, payroll, and subrecipient monitoring. LWP’s fiscal system of expenditure authorization and record keeping is sufficient and provides reasonable
accounting control over assets, liabilities, revenues, and expenditures in connection with those funds.

Reviews of reports of subrecipient monitoring conducted by LWP demonstrate that a consistent process is utilized, and reports which cite observations provide helpful technical assistance and recommendations.

This final report is being provided on November 15, 2021. Once the final report is issued, LWP will have one (1) week from the date of the final report to prepare and submit a written appeal to any findings. The appeal will be submitted to the Office of Workforce Investments director, who will make the final decision.

Response to draft due: November 8, 2021
