## I. CALL TO ORDER and INTRODUCTIONS

Shondra Holliday called the meeting to order.

## II. PUBLIC COMMENT

There was no public comment.

## III. CONSENT CALENDAR

The attendance did not meet the minimum requirement for a quorum to be established.

## IV. CHAIR'S REPORT

Shondra Holliday provided an overview, stating that the action item summaries from LWP Board, Executive Board, and Lane Council meetings have been outlined on pages 6 to 7 within the board packet. She specifically pointed out that the General Operating Budget for Program Year 2023 – 2024, spanning from July 1, 2023, to June 30, 2024, was officially adopted during the May 18, 2023, Executive Board Meeting.

Heidi Larwick inquired about the budget's availability to the entire board. In response, Tiffany Cink said that the budget is included in the materials for the May 18, 2023, Executive Board meeting. These materials can be accessed on LWP's website. Additionally, Ashley Espinoza noted that further details regarding the budget will be shared during the full board meeting scheduled for September 2023.

## V. EXECUTIVE DIRECTOR'S REPORT

Ms. Espinoza shared that if you have any questions concerning the content provided in the Executive Director's report included in the packet, please reach out to her. She is available to meet one on one.

• Jennifer Adams, current LWP Board Chair and Ashley Espinoza met with all nine prospective board members vying for the five open positions. These positions consist of four representatives from the business sector and one from a community-based

organization. A recommendation resulting from these discussions will be presented to the Lane Workforce Council for their consideration during the meeting scheduled for June 15<sup>th</sup>, 2023. The newly appointed board members will serve a three-year term beginning July 1, 2023. Efforts are also underway to schedule a makeup board training session for individuals who were unable to attend today's session, and this training will encompass the incoming board members as well.

- LWP staff remains integral partners/collaborators in both statewide and local initiatives, actively contributing to the enhancement and collaborative development of a more accessible, streamlined, and recognized public workforce system.
- Ms. Espinoza holds a position on the Board of Directors for Connected Lane County, where she presently serves as co-chair of a subcommittee dedicated to refining the profile of a K-12 graduate. This subcommittee is actively engaged in assessing the extent of students' exposure and identifying areas of deficiency. Inquiries have been directed towards both community and industry partners, encompassing:
  - How can youth demonstrate their aptitude?
  - What mechanisms do employers use to access and provide evaluative input?
  - In instances where gaps or opportunities for additional growth are identified, to what extent are employers willing and capable of assisting an employee or candidate, particularly within a competitive labor landscape?
- HOPE Community Corporation and Lane Education Service District (Lane ESD) have embarked on a collaborative venture to construct cost-effective manufactured homes at the Hope factory within Lane County. This facility will be situated at the St. Vincent de Paul West Eugene site. In conjunction with the HOPE initiative, Lane ESD secured a grant from BOLI to establish a pre-apprenticeship accelerator program in the manufacturing sector.
- Ms. Espinoza encouraged board members to stay connected through LWP's social media platforms, where we share updates on the programs we champion and collaborate on, along with highlighting the impactful efforts of our partners. Additionally, relevant information can be accessed on LWP's website.

## VI. CWEI CONTRACT REVIEW/NEXT STEPS

Amanda Wagner conveyed that she, along with Walter Simmons, has collaborated closely with the LWP team over the past six months. The process commenced with an in-depth study and assessment of the Oregon and Lane County Public Workforce System. Subsequently, the CWEI team initiated bi-weekly meetings with the LWP team, focusing on a comprehensive exploration of the 17 functions inherent to a workforce board. This process involved strategizing how to effectively implement these functions while concurrently conducting stakeholder interviews to strengthen the system moving forward.

Yesterday, the LWP team participated in a staff training session conducted by CWEI. This session involved a thoughtful review and discussion of the insights garnered from the interviews.

Looking ahead, CWEI hopes to continue its collaboration with LWP. The initial phase only scratched the surface of the potential avenues for advancing the workforce system. Prospective areas for consideration include the refinement of meeting formats and board engagement, the establishment of committees and task teams, optimization of system functions, integration of best practices, formulation of a national engagement strategy, and more.

CWEI's extensive network across the county has provided valuable exposure to LWP, and Ms. Espinoza has also been able to make new connections at the national level.

In response, board members expressed their gratitude to the CWEI team for their dedicated expertise and the considerable time invested in collaborating with LWP.

## VII. BOARD MEMBER UPDATES

- Shondra Holliday (Lane County Medical Society): Ms. Holliday shared an exciting collaboration. Lane County Medical Society is partnering with Connected Lane County and Lane Community College (LCC) to present a training opportunity at the end of June. The training is tailored for individuals currently in entry-level roles within medical practices, as well as those wanting to venture into the medical field. Anticipated participants include approximately 30 students from Connected Lane County and 15 to 20 individuals currently employed by medical practices. The training session will be facilitated by Lane Community College.
- Laura Vinson (Lane County): Ms. Vinson shared that Lane County is hosting two interns from Connected Lane County.
- Solomon Harris (CEI Coatings): Mr. Harris mentioned that his company has collaborated with Connected Lane County to provide opportunities for job shadowing.
- Julie Davidson (Oregon Employment Department): Ms. Davidson expressed interest in connecting with Heidi Larwick regarding the possibility of hosting interns from Connected Lane County at the WorkSource Center. Ms. Davidson also shared significant information: starting July 1, 2023, the State is reintroducing work requirements for recipients of SNAP food benefits categorized as Able-Bodied Adults Without Dependents (ABAWD), encompassing individuals aged 18 to 49. This requirement involves an 80-hour work search obligation. There exist certain exceptions that enable the removal of this mandate. Failure to comply with the mandate by the obligated individual will result in a loss of benefits after a three-month period of non-participation, a condition applicable until 2025.
- Jeff McGillivray (UA Local 290 Plumbers & Steamfitters): Mr. McGillivray shared an ongoing initiative involving the recruitment for apprenticeships, which opens every three months. The current apprentice count stands at 760 statewide, with 72 apprentices situated in Lane County. Notably, Oregon Tradeswomen has been effectively delivering pre-apprenticeship training in the Portland region for more than three decades and is extending its reach to Lane County for the first time. UA Local 290 Plumbers & Steamfitters has a long-standing partnership with the Oregon Tradeswomen and will serve as the host for this program within Lane County.
- Stan Pickett (Delta Sand & Gravel): Mr. Pickett reported a positive outcome resulting from grant funding provided by LWP. Specifically, the company has successfully trained five new CDL drivers into their workforce who are now actively operating on the road. Additionally, efforts are underway to further enhance the skills of existing employees, with a focus on training in equipment operation and concrete finishing.
- Grant Matthews (Lane Community College): Mr. Matthews shared some recent milestones. A groundbreaking ceremony was held last Friday to mark the commencement of the Lane Industry & Trades Education Center (ITEC) construction. The construction phase is set to begin this summer, with the anticipated completion date slated for November 2024. The building will host an array of instructional programs and services, encompassing apprenticeship training, aviation unmanned aircraft systems, construction technology, manufacturing technology, and an interdisciplinary fabrication laboratory. In addition, LCC achieved a significant accomplishment in April, obtaining State approval for its first Bachelor's Degree in Applied Business Management. Pending accreditation agency approval, the degree program is scheduled to be offered in the fall of 2024.
- Scott Littlejohn (Littlejohn Insurance): Mr. Littlejohn shared that he is planning to onboard three new team members this fall. Additionally, Ms. Espinoza took the opportunity to acknowledge that this would be Mr. Littlejohn's final board meeting and expressed gratitude for his service.
- Bailey McEuen (Homes for Good): Ms. McEuen updated the board on her involvement on an internal committee with Homes for Good that is tasked with crafting a comprehensive

strategic plan, encompassing both a strategic and DEI equity plan. One of the primary objectives of this committee is to establish pathways toward self-sufficiency. For this year, two strategies have been identified: 1) concentrating on rural communities and 2) youth. These two areas align closely with the discussions held during today's meeting. Efforts are underway to make a more substantial impact on the development of affordable housing in rural regions, with active engagements in the Blue River community and ongoing collaboration with the Coalition of Rural Housing Developments. Concurrently, the resident services team is dedicating significant efforts to engage youth within our programs.

Heidi Larwick (Connected Lane County): Ms. Larwick shared exciting initiatives for the • upcoming months. This summer proves to be engaging, with approximately 200 youths being employed across the county. A seven-week paid internship program, scheduled to start in June, is set to offer valuable opportunities. For those interested in hosting interns, Ms. Larwick extended an invitation to get in touch. Connected Lane County is in the process of concluding their pilot manufacturing accelerator program, which functions as an unofficial yet comprehensive pre-apprenticeship. This four-month program involves two months of in-person training followed by two months of practical experience with a company. Participants receive compensation during their involvement, and the program has yielded positive outcomes. Additionally, CLC is gearing up to launch a healthcare program in late June, followed by a tech program in the fall. These offerings are set to occur on an annual basis. Another venture is the Invention Lab, catering to freshmen and sophomores. This five-week program introduces participants to manufacturing, technology, and computer science in an engaging environment. CLC is currently renovating an 11,000 square foot facility at the Booth Kelly Center in Springfield. This facility will house manufacturing, technology, and computer science activities and will also function as a drop-in workforce center for youth. In April, CLC organized a hiring fair tailored to graduating seniors approximately 650 youth attended.

#### VIII. OTHER BUSINESS

No other business was noted.

#### IX. ADJOURNMENT

Ms. Holliday adjourned the meeting.

## Lane Workforce Partnership Board Officer Recommendation

#### BACKGROUND

As stated in Article V, of the Lane Workforce Partnership By-Laws, "The Corporation shall have a Chair, Chair-Elect, Secretary, Treasurer, Executive Director, and Past-Chair, all of whom shall be elected by a majority vote of the LWB except for the Executive Director who shall be separately selected and appointed by the Board of the Corporation."

#### DISCUSSION

For Program Year 22/23, the following individuals served as Board Officers:

- Chair: Jennifer Adams
- Chair-Elect: Shondra Holliday
- Treasurer: Solomon Harris
- Secretary: Vacant
- Past Chair: Stan Pickett

On July 1<sup>st</sup>, 2023, Jennifer Adams automatically moved into the Past Chair position and Shondra Holliday automatically moved into the Chair position.

The Lane Workforce Partnership Board of Directors received notifications on April 3<sup>rd</sup>, April 11<sup>th</sup>, August 23<sup>rd</sup>, and August 30<sup>th</sup>, in 2023, regarding the availability of the Chair-Elect, Treasurer, and Secretary positions. The deadline to be considered for these roles was September 1<sup>st</sup>, 2023.

Solomon Harris expressed interest in the Chair-Elect position, John Stapleton in the Treasurer position, and Jeff Graham and Phil Hohnstein in the Secretary position.

#### RECOMMENDATION

The Lane Workforce Partnership Board of Directors elect Solomon Harris, Chair-Elect; John Stapleton, Treasurer; and either Jeff Graham or Phil Hohnstein, Secretary to serve as board officers for a two-year term beginning September 28, 2023.

## WORKFORCE DEVELOPMENT BOARD COMMITTEE STRUCTURE

## BACKGROUND

This past year, the Board engaged in training provided by the Center for Workforce Excellence International (CWEI). One of the primary topics of the training was the strategic functions of a Workforce Board, which included the function of:

Maintaining Standing Committees: "The local board may designate and direct the activities of standing committees to provide information and to assist the local board in carrying out specific activities: (A) One-Stop Delivery System Operations, (B) Provision of services to youth, (C) Provision of services to individuals with disabilities."

The CWEI recommended the development of standing committees that tie back to the 17 required functions of the board, local plan, and key priorities. Common standing committees of workforce boards include:

- Executive Committee
- Finance Committee
- Job Center/One-Stop System Committee
- Youth Services Committee
- Disability Access/Severe Barriers Committee
- Special Populations Committee
- Business Services Committee

The current structure of Lane Workforce Partnership includes:

- The Executive Board whose functions include the oversight of Lane Workforce Partnership's budget as well as other responsibilities of an executive and finance committee.
- Primary Youth Service Provider, Connected Lane County, is governed by a Board of Directors.
- Designated Business Services, Collaborative Economic Development Oregon, is governed by a Board of Directors.
- One-Stop Service Delivery System, oversight provided by:
  - Local Leadership Team (Center/Core Partner Focused)
  - Executive leadership Team (Core Partners)

## DISCUSSION

Staff are recommending that the board start with two committees: 1) Workforce Services Operations Committee; 2) Community Engagement Committee. The proposed functions of each committee would include:

- 1. Workforce Services Operations Committee
  - a. Accessible One-Stop Service Delivery System
  - b. Special Populations
    - i. Homeless/unhoused
    - ii. Individuals with Disabilities
    - iii. Returning Citizens
    - iv. Rural Communities
  - c. Talent pipeline
  - d. Career Pathways
- 2. Community Engagement Committee
  - a. Publicity/Public Awareness
  - b. Uniform Message/Branding
  - c. Outreach Strategies
  - d. Event Planning
  - e. Coalition Building

## **RECOMMENDATION**

That the Workforce Development Board approve two standing committees of the Board and appoint members to each committee: 1) Workforce Services Operations Committee; 2) Community Engagement Committee.

Upon approval of the Workforce Development Board, interested board members will be appointed to each committee. A "Committee Kick-Off" meeting will be held in the fall with a full start of committee work planned for January. LWP staff to the committee shall be:

- Workforce Services Operations Committee Ryan Kounovsky
- Community Engagement Committee Jesse Quinn

#### Introduction:

Lane Workforce Partnership (LWP) is the designated local Workforce Development Board for Lane County, Oregon. The local board is charged with making targeted investments in the community utilizing funding in line with its mission: *To meet the workforce needs of employers and individuals through partnership and innovation*.

This report is a compilation of outcomes achieved through two primary investments in Lane County: 1) Adult and Dislocated workforce services; and 2) At-Risk Youth/Young Adult programs.

WorkSource Oregon Lane is the primary location in which Lane Workforce Partnership invests federal funds to deliver employment services to adults and dislocated workers. Lane Workforce Partnership has distributed \$1,596,953.02 to Lane County Health and Human Services for the period of July 1, 2022, through June 30, 2023, for program services throughout Lane County.

In addition to the funds invested by Lane Workforce Partnership, the following partners invest funds and resources each year through a committed partnership to create a strong workforce system for Lane County:

- Department of Human Services
  - Self-sufficiency Programs
  - Vocational Rehabilitation Services
- Lane Community College
- Oregon Employment Department
- Easter Seals of Oregon

LWP contracts with Connected Lane County to serve at-risk youth and young adults in Lane County. The primary focus of this investment is to create or expand programs that will increase the graduation rates, connect youth to higher education opportunities, and expand work experience opportunities. LWP invested \$903,431.75 in federal funds targeted to serve at-risk youth. Connected Lane County expanded their service locations this year with the opening of Spark at Booth Kelly in Springfield.

During the development of the <u>2020-2024 local strategic plan</u>, specific goals and strategic objectives were developed to align the work of the LWP with the work of Oregon Workforce and Talent Development Board within the context of Lane County's local economic and workforce environment.

## Year-End Performance Report July 1, 2022 – June 30, 2023

This report serves as documentation of the effectiveness of workforce development services, and the implementation of the Local Strategic Plan. Elements from this report will be updated semi-annually and posted on the Lane Workforce Partnership's website.

Note: The following strategies related to Goals 2 and 5 are a continuous work in progress that require ongoing research:

- Goal 2 (Strategy 2): Analyze the impact of AI/technology on worker displacement.
- Goal 5 (Strategy 2): Analyze impacts of technology on industry employment and on workforce training.
- Goal 5 (Strategy 4): Analyze, gather, and disseminate projected data about job evolution/changes/growth.

The constantly changing landscape of technology in the workforce warrants constant and in-depth review. The 2022 State of the Workforce Report addresses the labor market in Lane County with an analysis of projected changes and growth in Lane County's industries. The report also focuses on the people who are in the workforce. With the evolution of artificial intelligence and its impact on the workforce, what we are seeing is that workers continue to be in high demand. Increased automation and the use of robotics seems to have enhanced many jobs rather than eliminated them. The integration of artificial intelligence and human interaction is one companies seem to embrace as they continue to evolve their product lines.

## Program Year 2022/2023 Goals and Progress Measures

## Goal 1: Prepare workers for self-sufficiency employment in a new and changing economy.

Strategies:

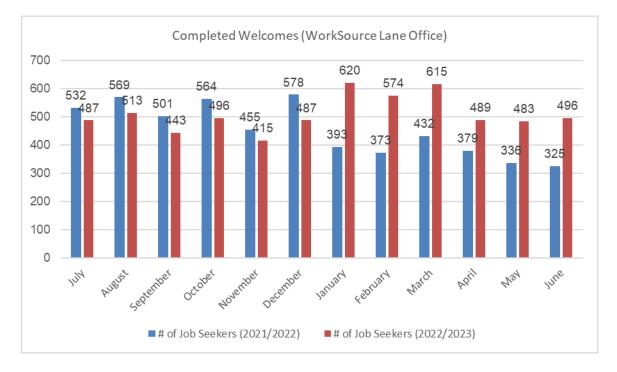

- 1. Analyze worker self-sufficiency data driven by systemic challenges (e.g., housing, childcare, legislative policy).
- 2. Be the community voice for individual workers seeking self-sufficiency employment.
- 3. Broker relationships to create solutions to address identified systemic challenges.
- 4. Build capacity to support innovative solutions by seeking incremental funds for investment.

Progress Measures:

- Performance Outcomes for WIOA Youth, Adult, and Dislocated Worker programs
- Fund development
- Analysis of Lane County's economy as published in the 2022 State of the Workforce Report

## WorkSource Lane Personalized Services for Job Seekers in Targeted Industries

The first step toward receiving services at the WorkSource Center is to have a "Welcome" Conversation with staff. During the welcome conversation, customers are informed of the services available to them. From July 2022 to June 2023, 6,046 new customers came into the Center seeking services. This number increased by 1,568 customers compared to the prior 2021/2022 year's total.

## **Oregon Health Authority HOWTO Program**

Lane Workforce Partnership partnered with Nurturely and received funding from Oregon Health Authority HOWTO program. The goal of this project is to promote perinatal health equity through the certification, inclusion, and sustainability of Black, Brown, Indigenous, and Spanish-Speaking doulas in the Lane County workforce. Our project will increase racial and cultural inclusion in the current healthcare systems, by bolstering the diversity of the Doula workforce through Doula Training, Doula Transition, Doula Sustainability, and Doula Support.

Applicant Name	Awarded	Amount Spent
Nurturely	\$910,776.00	\$188,264.33

Note: Nurturely is planning two cohorts for Program Year 2023/2024, which will result in enrollments being at or above target by the end of year two of this project.

Goal 2: Connect individuals to education, skill-building, and employment opportunities in occupations most impacted.

Strategies:

- 1. Invest in training programs, including on-the-job training, apprenticeship and customized training focused on replacement opportunities for youth/young adults in jobs most impacted by retirement and other types of projected worker shortages.
- 2. Analyze the impact of AI/technology on worker displacement.
  - a. See notes related to this strategy addressed in Goal 5 (page 16)
- 3. Invest in career pathway models.

## **Special Projects**

**Fire Dislocated Worker Grant (DWG)** – The State of Oregon was awarded a DWG from DOL in response to the devasting wildfires during the summer and early fall of 2020. The purpose of the funds is to assist the impacted communities in Lane County with fire restoration, recovery, and cleanup efforts.

LWP released an application for community stakeholders to request funds which they were able to use to employ humanitarian workers or work crews whose sole purpose was to work on projects related to fire restoration, recovery, and clean-up. LWP entered into Service Agreements with:

- McKenzie Community Development Corporation (Humanitarian Workers)
- Love First (Humanitarian Workers)
- Northwest Youth Corps (Fire Restoration and Clean-up)
- Suulutaaq Construction (Fire Restoration and Clean-up)
- Cascade Relief (Both Humanitarian Workers and Fire Restoration and Clean-up)

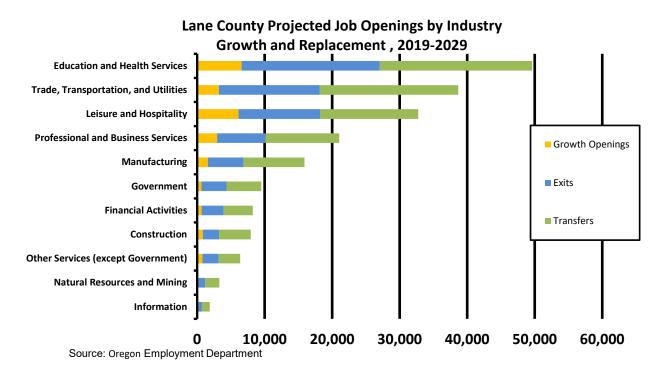

Each of the above service agreements were completed and closed as of September 2022. In addition to the above, Lane County Health & Human Services provided eligible participants with career and training services through WorkSource Lane. Lane County Health & Human Services continues to provide these services to actively engaged customers.

#### **DWG Performance to Date**

Enrollment Goal	Actual Enrollment to Date

#### **Research Impact of Aging/Retiring Workforce**

In partnership with Oregon Employment Department's economist, Lane Workforce Partnership staff published the 2022 State of the Workforce Report for Lane County. This report outlines the impact of the aging workforce in Lane County as well as the industries that are expected to have a large number of replacement job openings. Replacement openings are often a result of retirements.

#### Goal 3: Prepare our youth for future employment.

Strategies:

- 1. Invest in proven strategies and partner with successful youth programs to better align industry and education to increase student access to work opportunities.
- 2. Be the community voice to improve policy makers understanding/willingness to remove apprenticeship pipeline barriers.

**Progress Measures:** 

- Create and track outcomes for multiple Lane County industry awareness and work-based opportunities for middle/high school and community college students.
- Identify individual sector's apprenticeship barriers and chart progress of measurable results to overcome these barriers.

## Connect Industry Workforce Needs to Education – LWP partners with Elevate Lane County to coordinate industry awareness for students, teacher externships, and work-based learning opportunities.

#### Testimonial

Jack has been in the WIOA/Navigate program less than a year and has really enjoyed the events in which he has participated. Jack had this to say about DevNW and the WIOA Job Shadow: "Both of the experiences were very insightful on things I didn't know about and wanted to know about. The homeowner's class was very interesting. I learned things I never would have thought of when considering buying a home of my own and the job shadow at the radio station was very cool, learning about all the jobs and inner workings of a radio station." – Connected Lane County

Through events that the WIOA/Navigate program has been able to put on, DJ has blossomed from a very shy youth into someone who feels more confident and asks questions. They have started engaging more actively and advocating for themselves and have found their experience in the program to be "helpful in finding jobs, building resumes and cover letters, and very clearly the staff cares about the wellbeing of the youth and wants to see them succeed." – Connected Lane County

#### **Testimonial**

Ocean entered the program with a strong desire to secure employment near her remote rural residence, which she shared with her grandmother. Faced with limited options and lacking transportation, she encountered challenges in her job search. The WIOA/Navigate program connected her with a nearby farm, where she embarked on a work-based learning experience focused on honing her equine and animal husbandry skills. Ocean fell in love with the work, re-engaged with school, and joined the FFA program. She had this to say about her experience: "It was helpful and encouraging and gave me more experience around equine care and helped me be more confident in what I'm doing." – Connected Lane County

Fred has found immense value in the work experience opportunities he has been fortunate to engage in. These experiences have allowed him to explore options he had not previously considered, and he appreciates the opportunity to acquire new knowledge. He said his favorite part is "getting to learn about the local workplaces and opportunities in a fun and ideal environment." – Connected Lane County

#### **Oregon Youth Employment Program**

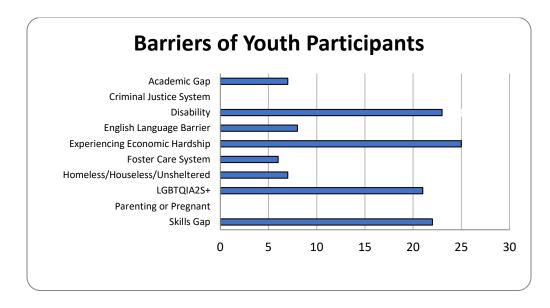

Lane Workforce Partnership was awarded \$767,914.00 from the Higher Education Coordinating Commission (HEC) for the Oregon Youth Employment Program (OYEP) for Program Year 2022/2023.

The focus of the Oregon Youth Employment Program is to serve youth and young adults ages 14 – 24 through work-based learning opportunities including paid internships, pre-apprenticeship training, occupational skills training, and other workforce services in three high wage/high demand sectors: construction, manufacturing, and technology. LWP entered into a Service Agreement with Connected Lane County for Program Year 2022/2023.

Enrollment Goal	Enrollment through June 30, 2023

#### OYEP Performance July 2022 – June 30, 2023

Youth Served in OYEP were the most marginalized in our community. The following chart demonstrates the barriers of those who participated in the program:

# Goal 4: Catalyze the community around diversity, equity, and inclusion (DEI) to expand workforce leadership and participation opportunities for all.

Strategies:

- 1. Be a catalyst for systemic change that raises DEI to the level of sector strategy.
- 2. Convene an advisory board as a model of DEI leadership.
- 3. Invest in workforce board training to understand unconscious bias and to lead by example.
- 4. Embed DEI in all LWP policies.

Progress Measures:

- Increase service utilization among targeted populations
- All LWP policies will contain DEI and Equity Lens language and requirements
- LWP staff and Board members receive diversity, equity, and inclusion training as well as the establishment of an advisory board

Every two years, LWP releases a State of the Workforce Report. This report provides readers with information about the current state of Lane County's economy. The theme of the 2022 State of the Workforce Report is about the people currently in the workforce – who they are and how our businesses can tap into their talents.

- 2022 State of the Workforce Report (English)
- <u>2022 State of the Workforce Report (Spanish)</u>

Each year, LWP reviews and updates its policies and procedures to ensure they are current and meet the requirements of federal and state legislation. These policies are also developed to align with the goals set by the Workforce Development Board. Lane Workforce Partnership's current policies and procedures (both in English and Spanish) can be found on our website.

## **Increase Service Utilization Among Targeted Populations**

#### **Targeted Outreach Activities**

The Equity and Inclusion Task Team set a priority around increasing outreach activities to underrepresented populations for services available at WorkSource Lane, specifically WIOA training scholarship opportunities. Staff created and implemented the outreach plan.

\*The overall program served a total of 26 Veterans in 2022/2023 for a total of 6% served. Of those, 67% received training services. This number was obtained from WorkEx, Driving Prosperity, and OJT to demonstrate that while no Veterans received a WIOA scholarship, efforts were made to provide training through other methods. This could be done with all demographics to provide a larger picture of the overall training services being provided to these groups.

# Goal 5: Align strategic partnerships to expand our collective capacity to address systemic workforce challenges.

Strategies:

- 1. Continue to invest in sector strategy work.
- 2. Analyze impacts of technology on industry employment and on workforce training.
- 3. Identify and share job skills with current and emerging workforce.
- 4. Analyze, gather, and disseminate projected data about job evolution/changes/growth.
- 5. Be the voice to create understanding of self-sufficient wages in our community.

Progress Measures:

• Annual investments specific to each industry sector

## **Community Engagement and Industry Sector Partnerships**

Lane Workforce Partnership continues to focus on sector strategies, investing funds in talent development, job creation, and business competitiveness in targeted sectors such as Technology, Food and Beverage Manufacturing, Wood Products, Construction-Aggregate, Transportation, Creatives, Child Care, and the recently launched Bioscience Sector.

Targeted Sector investments of \$101,480 were made from July 1, 2022 – June 30, 2023. The following projects would not have been possible without collaboration from community partners:

- Lane County Latino a/x Leaders Workgroup received an Oregon Community Foundation (OCF) grant awarded through Lane Workforce Partnership.
- Eugene Chamber of Commerce Unhoused Workforce Project is a Chamber-led collaboration with Lane Community Health Council.
- The Springfield Chamber Work Ready Initiative is an on-going partnership with the City of Springfield and Chambers Construction.
- Leading with Cultural Intelligence cohorts were provided in partnership with the Technology Association of Oregon and the Lane County Human Resources Association (LCHRA).

## **Industry Engagements**

In August 2022, Onward Eugene was named Lane Workforce Partnership's business service provider. Through this expanded partnership, Onward Eugene engaged regional industries essential in our local economy, in proven programs and initiatives that accelerated high wage job growth. Onward Eugene provided Sector Strategy leadership and support to community stakeholders in existing and new targeted industry sector initiatives.

In April 2023, the subject matter experts at Onward Eugene, Matt Sayre, Nicole Desch and Caitlin Vargas established a new entity: Collaborative Economic Development Oregon (Collaborative EDO). Collaborative EDO, a 501(c)3 nonprofit organization, is dedicated to "Lead(ing) inclusive regional economic development initiatives and programs primarily in Lane County through targeted business recruitment, entrepreneurial support, workforce development, business expansion, regional marketing, strategic innovative projects and the formation of effective public/private partnerships."

Based on this commitment and the team of subject matter experts, LWP contracted with Collaborative Economic Development Oregon until June 30, 2023 for the same Business Services that were in the previous Onward Eugene Business Services Contract.

Under this partnership, Collaborative EDO actively engages with key industries vital to the local economy, implementing proven programs and initiatives to accelerate the growth of high wage jobs. The organization collaborates closely with community stakeholders, both in existing and new targeted industry sector initiatives.

Key strategic goals for this partnership:

- Identify and support sector strategists and leads;
- Activate cross-sector collaboration opportunities;
- Host an Annual State of the Industry Summit;
- Establish measurements of success;
- Dive into new practices and strategies that have not been launched or developed;
- Be a catalyst for systemic change and elevating the importance of embedding DEI practices in our workforce system.

This investment in Sector Strategies strengthens Lane County's workforce and economic development efforts significantly, with a focus on talent development, high wage job creation, business competitiveness, and industry-specific training that meet the demands of the region's growth industries.

The below table highlights the combined number of Industry Engagements from July 1, 2022 through June 30, 2023:

Targeted Sectors	# of Businesses Engaged
Technology	261
Bioscience	210
Food and Beverage Manufacturing	107
Childcare	101
Transportation	57
Construction-Aggregate	35
Creatives	35
Wood Products	4
TOTAL	810

#### **Engage Relevant Agencies and Programs**

LWP, as the Local Workforce Development Board, has a long history of working with business leaders to advance and strengthen workforce development in our community.

- The <u>Lane County Community Collaborative</u> is a group of economic and workforce development stakeholders from across Lane County that come together with the goal to better align efforts and resources to effectively meet the needs of our communities and have a positive ripple effect across our region. These monthly meetings are designed to foster rich conversation, relationship building, and collaboration.
- The Lane County Latino a/x Leaders Work Group convened for the first time in June of 2020, in partnership with The Oregon Community Foundation, OCF's Latino Partnership Program, Palo Alto Software, and Lane Workforce Partnership. Each gathering brings together Latino a/x leaders from across the county that work in a variety of sectors and have an assortment of influence. Meetings are structured to inspire and facilitate personal connections and help mobilize community-driven solutions. This initiative is co-facilitated by Dr. José Meléndez, Assistant Professor of Planning for Engaging Diverse Communities at the University of Oregon's School of Planning, Public Policy, and Management. Lane Workforce Partnership is providing additional support for a Latino Professional Leadership Institute.
- The <u>Institute for Networked Communities (INC)</u> has launched the Next Generation Sector Partnerships initiative, which has been closely working with our region for several years to develop and curate best practices and tools for sector partnerships across the county. As a result of this involvement, Lane Workforce Partnership is sponsoring registrations for Next Generation Sector Partnerships 101 Workshop.

## Workforce Development Board Strategic Plan And Workforce Development Boards Local Five-Year Plan

## Informational Item:

This item is to inform the Workforce Development Board and Lane Executive Board of the process by which the Board's Strategic Plan and Local Plan will be updated for Program Year 2024 - 2028.

## Background:

The Workforce Innovation and Opportunity Act (WIOA) requires states and local boards to develop and update a local plan once every four years (known as the Local Plan). In Oregon, all Boards are on the same schedule, which requires updating the Local Plan for implementation in Program Year 2024. Simultaneously, in Lane County, the Workforce Development Board creates a Strategic Plan which guides the work of Lane Workforce Partnership (LWP) over the four-year period.

## Process and Timeline:

Lane Workforce Partnership will begin the development process in September 2023 with the convening of focus groups in each region of the county. The Final Local Plan is due to the State Workforce and Talent Development Board on March 18, 2024. Implementation shall begin on July 1, 2024. The timeline for the development of both plans is as follows:

Activity/Task	Timeline
Focus Group Sessions	9/15/23 - 10/30/23
Strategic & Local Plan Document Developed	9/8/23 - 1/2/24
30-Day Public Comment Period	2/1/24 - 3/2/24
Finalize Local Plan	3/2/24 - 3/17/24
Local Plan Due Date (Submit to WTDB)	3/18/24
Workforce Talent Development Board Evaluation	3/18/24 - 6/7/24
Period	
Workforce Talent Development Board Approval	6/14/24 (meeting date)
Governor's Review and Approval Period	6/26/24 - 6/28/24
Local Board Notices Sent Out	7/1/24 - 7/12/24

Focus Group Sessions are planned to include:

- Two Metro Area Sessions
- One Rural (Cottage Grove) Session
- One Rural (Florence) Session
- One Metro/Rural (Springfield) Session
- One Rural (Junction City) Session

All Board members, local elected officials, businesses, community members & stakeholders, workforce service delivery partners, and economic development partners will be invited to attend the session of their choice.

Workforce Development Board Responsibility:

A committee of the Workforce Development Board will be convened to participate in the process. Functions of the Workforce Development Board members throughout the development of both the Strategic Plan and the Local Five-Year plan shall include:

- Oversight of the process;
- Review and Approval of the draft documents;
- Ensure compliance with regulations;
- Ensure the voice of community is incorporated into the plans; and
- Development of metrics by which LWP staff and the Board members are held accountable to deliverables within the final plans.

Lane Workforce Partnership staff leadership is assigned to Cindy Perry, Director of Workforce Programs.

# Vision

Lane County will have a trained workforce & individuals will have the knowledge & skills for career success.

## 2023-2024 BUDGET SUMMARY

## BACKGROUND

The Lane Workforce Partnership 2023-2024 Original Budget was adopted at the May 18, 2023, Executive Committee Meeting and our first Budget Modification is being prepared for presentation at the October 19, 2023, meeting.

## DISCUSSION

For our Original Budget, both Revenue and Expenses decreased. The majority of the decrease was due to the one-year State of Oregon Future Ready Oregon Prosperity 10,000 funding. During 2022-2023, we invested over \$1.2 Million in a variety of workforce services and projects across Lane County. (see the Impacts Chart on page 58 of our Year-End Performance Report).

The following Expense Categories are included in the Adopted Budget:

- Personnel Services represent 20% of annual expenses and include nine positions (8.2 FTE) with annual budgeted costs including benefits of \$1,164,503.
- Materials and Supplies are \$335,447, 6% of annual expenses. The amounts include those non-personnel costs associated with the office and personnel at 1401 Willamette Street and the costs associated with the Lane Workforce Partnership Board of Directors.
- Community Investments are the amounts directly attributed to the provision of workforce services to the population of Lane County. LWP has budgeted 74% of total expenses in the pursuit of a trained workforce of individuals with the knowledge and skills needed for career success.

For Budget Modification #1, we are expecting increases in the following Revenue:

- \$399,950 New Award for Statewide Dislocated Worker Quality Jobs, Equity, Strategy and Training (QUEST) Grant
- \$477,700 Actual Carry forward and final award amount for Future Ready Oregon federal American Rescue Plan Act (ARPA) funds
- ??? Final Award for State of Oregon Youth Employment Program (OYEP) has not been announced

For Budget Modification #1, our Community Investments will increase based on the final Revenue award amounts and we will restore funds to our Reserve for Future Expenditures.

See attached Final Adopted Original 2023-2024 Budget for line item details.
